I, Mitta Suresh declare the following:

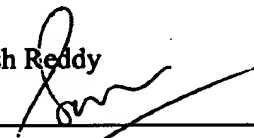

1. I am a joint inventor of the invention entitled "VENTRICULAR RESTORATION PATCH AND APPARATUS AND METHOD OF USE," filed in the United States Patent and Trademark Office on May 24, 2001, under Serial No. 09/864,793 in the names of Gregory Murphy, Suresh Reddy, and Albert Davis;

I further declare that all statements made herein of my own knowledge are true and that all statements made on the information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
